

Mr Gary Forrest
Chief Executive
Justice Health & Forensic Mental Health Network
PO Box 150
MATRAVILLE NSW 2036

Our ref H20/77687

Dear Mr Forrest

2020 Interim Service Agreement

Please find attached an executed copy of the 2020 Interim Service Agreement for Justice Health & Forensic Mental Health Network (JHFMHN).

I would like to acknowledge the collaboration and support provided by the JHFMHN executive team to the System Purchasing Branch during the development of the Interim Service Agreement.

Interim Service Agreements function as a continuation of the 2019-20 Service Agreements. It is anticipated that the final 2020-21 Service Agreement will be executed in December 2020. System Purchasing Branch will work to address the issues raised by the network during the development of the final 2020-21 Service Agreement. The network's performance will continue to be monitored by the Patient Experience and System Performance Division in line with the NSW Health Performance Framework.

It is required that the Interim Service Agreement and the budget explanatory notes be displayed on the organisation's website. Please send confirmation that these documents have been uploaded, and the date of upload to Joe Portelli, A/Executive Director, System Purchasing Branch at MOH-ServiceAgreementSPB@health.nsw.gov.au. At this interim stage, it is not required that the network expense budget and facility budget allocation be displayed on your internet site.

I look forward to working with you, the Board and Executive of JHFMHN throughout the 2020-21 financial year.

Yours sincerely

Elizabeth Koff
Secretary, NSW Health

Encl. Interim JHFMHN Service Agreement 2020
